June 8, 2020 – Covington, WA

Dear Chamber Partners & Community Members:

The Covington Chamber of Commerce actively promotes a strong local community and in doing so we follow safety and health orders by Governor Inslee. Summer and Fall remain uncertain times regarding the reach of the Covid-19 virus and the ability to hold in person gatherings while “Social Distancing”.

Out of an abundance of caution and in effort to best support the success of local business while following State Guidelines in the plan to reopen we have selected to cancel our upcoming event: Fall Festival in September 2020. We will be in touch with those that have pre-registered and we look forward to a time that we can celebrate together again. This decision was not taken lightly and included many factors, but the safety and health of our community was our number one priority.

Currently we are continuing virtually our monthly education/networking luncheons and after hours and we invite you to attend these free opportunities to support your business, learn about resources and continue supporting one another. We will continue to advocate for local business & connect you to available resources and information.

Please stay engaged with us on Social Media via [Facebook](#) & [Instagram](#). We will update our [website](#) and [newsletters](#) as information continues to become available to us. For more information:
